“The Ladies of Mount Vernon”

Marj Sente is a social/postal historian, a contributor to “Days Past” articles, as well as a number of philatelic publications. In 2022, she was elected to the American Philatelic Writers Unit Hall of Fame. This is Marj’s third presentation to the Prescott Corral.

Prescott Corral News & Announcements

A Message from Our Sheriff

Howdy Pardners,

What did we do to offend Mother Nature?? I think we're all done with the bad weather and want to see Spring arrive. I love the four seasons but enough already!

We have begun emailing the Roundup to those who said they want to receive it by email. For clarification, the members who receive it by email WILL NOT have a copy available at our dinner meetings. Your emailed Roundup will go out soon after the dinners. Please continue to sign up for emailed Roundups on the list at the front table.

In order that our Swampers have adequate time to complete their duties at the front table, we will now do our raffles at 6:50. You will still have a few minutes before our speaker begins.

Thank you to all who have renewed your membership. Your support is so important to the continued success of our Corral.

Several of the past Territorial Times have been uploaded to our Corral website (www.prescottcorral.org). The Sharlot Hall Museum is in the process of digitizing them and more may be available soon. Check them out for the interesting articles.

Our plans for the 20th Annual Western History Symposium are progressing nicely. The Boy Scouts will provide lunch again and we are in the process of scheduling presentations. We'll keep you posted about details as they develop. Save the date for the Symposium--Saturday, August 5th. This year there will be no conflict between the date of our Symposium and the Prescott Poets Gathering (August 10-12). As we did last year, the guests at our August dinner meeting, in recognition of the Poets Gathering, will be Bill and Sherri Hill and the entertainment will be provided by the Rusty Pistols Reloaded. August will be a very exciting month for the Prescott Corral!

The Arizona History Convention will be held at the Tempe History Museum and Library on April 13-15. The first two days will offer online presentations. The third day is in-person only. Registration is required.

I encourage all of you to wear your nametags. Our membership is growing and we don't all know each other. I regret to say that I don't know all of you but I would like to! If you need a nametag, place your name on the list at the front table and we will have one for you at the following dinner meeting.
