“The History of the Prescott Fire Department:
1885 to the Here and Now”

Presenter: Eric Conrad Jackson

Join retired Prescott Fire Department firefighter Conrad Jackson as he presents a thorough history of our local fire department. This historical journey is laced with photos from the 1800s, 1900s, and many colorful stories that come along with the department's 137-year history.

Conrad Jackson is a 40-year resident of Prescott who spent 28 years in the fire service, 20 of them as a firefighter with the Prescott Fire Department. Conrad's book about the department was published in 2014 and with it, Conrad's role as department historian was secured.

Prescott Corral News & Announcements

A Message from Our Sheriff

Hello Corral,

Our Western History Symposium was a big success. All of the speakers gave excellent presentations and we had great attendance throughout the day. Several books, authored by the speakers, were sold. Many people gave donations to the Corral to support our free Symposium so it may continue in the future. Boy Scout Troop 7010 provided a delicious lunch and the Phippen Museum was a wonderful host. I also want to thank our Posse for all the time and effort they contributed in making the Symposium the success it was.

Recently, it came to our attention that several members do not like to drive at night. This is why some members did not renew their membership. It was suggested by our Deputy Sheriff, Shelly, that we create a sign-up list for both the members who need a ride to and from our dinners and those who can provide a ride. It would be managed by the parties themselves and it would be at the convenience of their schedules. We will have a sign-up list on the table at our Corral dinners. It will ask for your name and your approximate location so the drivers have an idea where you are located (ex: White Spar near Copper Basin Road). The members who can't attend our dinners and need a ride can contact me and I will put your name on the list. You will find my contact information on your Roundup (I am also the Roundup editor-information on the top of back side of Roundup). We can try this and see if it's a possibility.

As we all know, Prescott always has something and usually several things going on. I hope you attended the Arizona Cowboy Poets Gathering at Yavapai College in August. It was three days of performances by musicians, storytellers and poets who were very talented and entertaining.

Lastly, the company which printed our Roundups has closed. Apparently, we were getting a great price for printing and stuffing envelopes but no one comes close to that price now. Your Posse has taken on the job of preparing the Roundups for you so that the cost remains reasonable.

Till next time-

Kathy Mancino, Sheriff
