“The Prescott and Tombstone Connection”

Presenter: Bradley G. Courtney

While researching the history of Whiskey Row, Brad noticed the many connections Prescott and Tombstone shared, on both sides of the world-famous Tombstone dramas of 1881-82. From Doc Holliday and Virgil Earp to John Behan and Frank Stillwell, and so much more. Brad will be sharing some of these discoveries with our Corral, an organization he holds dear to his heart.

Brad Courtney is an independent historian who lived and taught for several years in Phoenix and on the Navajo Indian Reservation. For six years, he was a riverboat pilot and guide who gave tours down the canyons of the Colorado River. Brad holds a master’s degree in history and has written five books regarding the history of Whiskey Row.

A Message from Our Sheriff

Howdy Westerners,

August is upon us. It is hard to believe we are already 2/3rds of the way through the year now. It won't be long and our elementary and high schools will be back in session. As your Sheriff, I encourage all of you to be mindful of pedestrians and reduced speed limits when passing through school zones.

I am really looking forward to our Thursday, August 6th Prescott Corral of Westerners dinner meeting. Our fellow member, Brad Courtney, will be giving a talk based on his extensive research of what he calls "The Prescott and Tombstone Connection". He and his wife Wendi will also brief us on the events taking place during the Prescott's Doc Hollidaze. Much is planned for the August 14-16, 2026 event. Visit PrescottTombstoneConnection.org for more information and tickets.

August was originally called Sextilis in the Roman calendar, meaning "sixth month", before Julius Caesar's calendar reforms repositioned it as the eighth month. The Roman Senate renamed it in honor of Augustus Caesar in 8 B.C. Although there are no National Holidays in August, a few of August's "National Days" to remember include: August 1st is National Ice Cream Sandwich Day; August 4th is the United States Coast Guard's 236th Anniversary. I was in when we celebrated the USCG's Bicentennial. Wow! I can't believe that was 36 years ago already; August 7th is National Purple Heart Day celebrating the award established by George Washington on August 7, 1782; August 26th is National Women's Equality Day, marking the certification of the 19th Amendment on August 26, 1920, which granted women the right to vote in the United States.

Enjoy the rest of our beautiful summer. I look forward to seeing you at our August meeting. Please send your reservations for that night to us in a timely fashion.

Sheriff Ken
